</html>
```

Output:

The screenshot shows a web browser window with the address bar displaying the file path: `C:/Users/saire/Desktop/chikitha/html/week3%20forms.html`. The browser's address bar also shows the text "Amazon.in Associat...". The main content area of the browser displays a form titled "Enter details". The form contains the following fields and elements:

- Full Name:** A text input field.
- First Name:** A text input field.
- Last Name:** A text input field.
- Email Address:** A text input field.
- Password:** A text input field with the value "password".
- Confirm Password:** A text input field with the value "password".
- Date of Birth:** A date picker showing "dd-mm-yyyy".
- Gender:** Radio buttons for "Male" and "Female".
- Terms and Conditions:** Two checkboxes, "Accepting terms." and "Accepting conditions.", both of which are unchecked.
- submit:** A button to submit the form.

The Windows taskbar is visible at the bottom of the screen, showing the system clock as 20:00 on 13-03-2024, and the weather as 34°C Haze.
